## Hear. Be heard. Focus.

Engineered for today's hybrid workplace, the Lenovo Wired ANC Headset Gen 2 combines the power of active noise canceling with superior microphones and EPOS ActiveGard® hearing protection technology for unbeatable performance. Plus, you'll enjoy a seamless user experience thanks to the two variations on offer (either certified for Microsoft Teams\* or certified for Zoom\* & optimized for other UC platform).

### Why you need Lenovo Wired ANC Headset Gen 2

#### Made for communication

Enhance your productivity with models certified for Microsoft Teams\* or Zoom\*. Plus, with a premium noise-canceling microphone that optimizes speech, paired with Active Noise Canceling (ANC) technology that filters out background noise to improve focus, you'll get the best experience every time.

#### Built for business

This innovative headset showcases the potential of Lenovo Manager, allowing IT teams to remotely manage and configure settings, as well as update firmware and generate personalized reports with ease.

#### Designed for comfort

With the large on-ear leatherette ear cups, you'll enjoy lasting comfort and superior noise dampening. Plus, with EPOS ActiveGard® technology that protects your hearing from unexpected sound bursts, nothing will prevent you from communicating with your team.
