Level up your audio experience.

Enjoy a seamless user experience and stay focused in virtual meetings with the Lenovo Wired VoIP Headset. Designed for the hybrid workplace, this headset features superior sound, comfort & fit, build quality and EPOS ActiveGard® hearing protection technology for unbeatable performance. Plus, with the two variations on offer: one that's Microsoft Teams* certified, and the other is Zoom* certified & other UC platforms optimized - you're guaranteed to find a solution that meets your needs.

Why you need Lenovo Wired VoIP Headset

Unmatched audio

Upgrade your communication game with models certified for Microsoft Teams* or Zoom*. Plus, with a noise-canceling mic that optimizes speech clarity, you'll be heard loud and clear wherever you are.

Seamless management

Tailored for businesses, this headset is equipped with Lenovo Manager, empowering IT teams to manage and optimize settings from afar. It also allows for remote firmware updates and generates reports to boost productivity.

All-day usability

With the large on-ear leatherette ear cups, you'll enjoy lasting comfort and superior noise dampening. Plus, with EPOS ActiveGard® technology that protects your hearing from unexpected sound bursts, nothing will prevent you from communicating with your team.
